

A visual equation showing a sequence of cards. On the left is an orange card with a large white question mark. This is followed by a plus sign, then a white card with one blue dot in the center. This is followed by an equals sign, then a white card with three blue dots arranged in a diagonal line from bottom-left to top-right. Each card has a grey base with a white number: 1 for the second card and 3 for the third card.
